Dear Parents / Carers,

Re: COVID-19 Coronavirus

Please be reassured that we will keep up to date with information and guidance published by the Government and will act promptly according to advice given.

Currently we are supporting children with their personal hygiene in school and ask that you do the same at home by showing children how to wash their hands properly, putting their hands over their mouths and noses when they cough or sneeze, followed by washing their hands and using a tissue to keep their noses clean and then putting it in the bin and washing their hands.

If you have recently travelled from any of the effective areas please follow the advice detailed on the letter over the page from Public Health England.

We will endeavour to keep things as normal as possible and will inform you of any changes.

Yours faithfully,

Mrs Becky Cook , Headteacher
