

Discover 'Goldilocks and the Three Bears'

Reading aloud every day is one of the most important and impactful things that parents can do with their children. It builds many important skills such as speaking and social skills and helps develop children's listening and attention. It is also a lovely time to be close together and enjoy each other's company.

Activities

Make your own flapjack using the bear's favourite food 'porridge'

1. Follow the simple recipe to make flapjack and enjoy tasting it.

Make your own characters from the story

1. Cut round the character masks and attach elastic at the back or put on stiff card or stick to lollipop sticks to hold
2. Use a different voice for each character as you pretend to go to the forest for a walk, just like the bears or eat the porridge just like Goldilocks

Making puppets

1. Cut round the small characters and props attach them to lollipop sticks
2. Retell the story of Goldilocks and The Three Bears together with your child
3. Try changing the ending to see if your child notices!!
