

Make a dragon stick puppet

You will need:

Paper (any colour)

Colouring pencils/ Crayons/ Felt tips

Scissors

Sticky Tape or glue

Something for the stick- a straw, wooden spoon, lollystick

1. Draw your dragon and colour it in. What will you call your dragon?
2. Very carefully cut out your dragon- get your grown up to help you if you need to.

Be very careful with scissors.

3. Stick your dragon to whatever you are using for a stick.

Most of all have fun!

You could:

Watch the video of George and the Dragon again,

Retell the story yourself or make up your own dragon story.

Make more stick puppets.

Don't forget to put pictures on EEXAT!!
