To make your Sunshine Rainbow

You will need:

- Pencil

To construct the sunshine

1. Cut the plate in half, ask a grown up to help with this if you need too.
2. Paint the plate yellow and allow to dry.
3. While it is drying cut out a strip of paper from each colour. Also cut some triangles from the yellow. Again if you need help to cut, ask a grown up.
4. Once dry, glue on the sun rays and the rainbow paper strips.
5. Draw the face on.
6. He is now ready to stick on your window.
7. How many rainbows can you count on your walks?
