

Personal Social and Emotional Development

Do you think the Troll was unkind? What do you think he did that was so unkind and what can he do to change his behaviour?
What do you do that is kind for family or friends?
Do you think the troll was scary? What are you frightened of?
How do you think they could make friends with troll?
Do you think the goats were clever getting away from the troll? What do you think you are good at doing?
At the end of the story, where do you think the troll went?

Harewood Nursery School Weekly Challenges

Each week we will be providing challenges you can complete throughout the week with your children.

18th May 2020

The Three Billy Goats Gruff

Please add any completed challenge to the EEXAT app for your child: Thank You.

Mathematical Development

Treading You can use a colander with different sized straws, pipe cleaners or even cotton buds. Can you name the different lengths you are using?

Sizes- can you tell which goat is the biggest, medium size and the smallest one. Can you find something which is bigger than yourself? Find a selection of objects and sort them into small medium and large. While making your bridge can you talk about what 2D or 3D shapes you can see?

Communication and Language

Can you describe a new ending for the story?
Where do think the goats were going?
Spot the difference pictures

Harewood Quiz -(Pictures on FB or website)

Letters and sounds – Sock and Shake – with an adult you need to prepare by filling the toe of several socks with different items (rice, coins, pebbles, shells, dried peas.) Children; as the grown up shakes each sock, can you identify what is making the sound. Close your eyes and do good listening!

Billy Goat phonic rhyme. (see sheet on FB or website.)

Knowledge and Understand of the World

Can you use the internet to find out two facts about goats? Can you grow some goat food?
Can you build a raft, so the goats can float across the river? (look on FB or website for details)

Explore, with different materials to build bridges. Which one works the best, when the animal walks over them?

Milk experiment – pour some milk into a bowl add small drops of food colouring. Touch the milk gently with a cotton bud and see what happens!
Have you even tasted goat cheese?

Physical Development

Can you build a large scale bridge? What materials will you need? You might use boxes, planks, sticks, pipes. If indoors chairs, stools anything you can find? Can you go under, on top or behind your bridge?

Paper Bridge Game (see details FB and website.)

Body Game Can you make bridge shapes using your body? Can you stamp your feet to make the trip trap sound on your floor will it sounds different on the carpet or in a different room?

Chalk a path to walk across in different ways. Tiptoe like the small goat, dance like the middle-sized goat or stomp like the big goat?

Self challenge – Can you trot like a goat? How high can you jump? Who in your family can run the fastest?

Literacy

Can you draw a map of the area where the goats live? Can you also draw a map of where you live, are there roads or fields around you? You could draw on a large scale on the floor outside using chalks or water. Remember to tell the story to a grown using different voices for the characters. Chose a story for bedtime. Can you create a story map? (See sheet on FB/ website.) Or you could create your own design. Mark making in rainbow gloop. Mix the ingredients and let your fingers do the writing. (See instruction sheet on FB or website)
Together can you learn The Little White Goat poem?

Expressive Art and Design

Can you create a collage of the story?

If you place a goat or any toy on some paper in the sun; it will create a shadow. Can you draw around the shadow and see what shape you create?

Can you use everyday objects to make the characters from the story, example using pegs to attach ears. (see FB or website for one idea, can you make up your own?)

Create a collage of where you think the goats might like to live. You can use craft materials or natural ones. Look in your garden can you find some pebbles or stone to paint: you could use them to create a rainbow!
