

Textured Bears

You will need:

- Paint of your choice
- Googly eyes or black pen
- Paper
- Fork
- Paint brush

Taking it forward:

- You could use the fork to add a body, legs and a tail.
- Using paint dip hand in paint place it on the paper. Cut a circle or use paint for its head.

What's in it for the children?

They will be able to follow instructions, and make different marks on the paper using different ways.

What to do:

- Dip the fork into the paint so it covers the back.
- Using the back of the fork start in the middle and scrape to outside of paper making a circle, you should be able to see a fur like circle.
- Using a paint brush add the ears.
- Use either googly eyes or a paintbrush to mark the eyes then a triangle for the nose.
