## Admissions Policy

# Harewood Nursery School

## 1. INTRODUCTION

- 1.1 This policy sets out the arrangements for admissions to Harewood Nursery School.
- 1.2 All children are entitled to a part-time (15 hours) nursery place the term following their 3<sup>rd</sup> birthday and a full-time place at the September following their 4<sup>th</sup> birthday (see part-time and full-time admission dates). Parents are entitled to defer the offer of a full-time place and details are provided under section 8 – deferring a full-time school place.
- 1.3 All children will be eligible for up to 15 funded hours, these are classed as ‘universal hours.’ Some children will be eligible for up to 15 additional funded hours these will be known as the ‘extended entitlement.’ Parent’s eligibility for the extended entitlement will have to be verified prior to the term in which the parent would like to use them. At Harewood Nursery School we offer a maximum of 13 places for the extended entitlement in each session. Places should be booked in advance with the school business manager.
- 1.4 For nursery places, the school and its Governing Body are responsible for admissions to non-statutory aged schooling. We adhere to the early years admissions policy in order to carry out our duty to admit early years children on a consistent and fair basis with other schools.
- 1.5 Admission to full-time schooling is managed by the Admissions Policy for statutory aged pupils. This policy will either be set by Wakefield Council for community/voluntary controlled schools or the Governing Body for academies, voluntary aided/foundation schools and will be found on the website of your school of choice.
- 1.6 We we offer part-time education and admit children from the term following their 2<sup>nd</sup> birthday to our pre-school then nursery class until they reach full-time school age. This includes children in receipt of the ‘Two Year Old Offer’ (TYOO), universal part-time children and children eligible for the extended entitlement (30 Hours). We also offer paid for places for parents requiring additional sessions.
- 1.7 This policy covers the following:
  - Entitlement to a universal nursery place
  - Part-time and full-time admission dates
  - Process for allocating universal and extended places
  - Attendance issues
  - Special Educational Needs and Disability

- Early Years admissions criteria to be applied when there are more applications than places available for universal and extended hours
- Deferring a full-time school place
- The purpose of a school's designated nursery number
- Funding for Early Years children
- Compliance with the Statutory Framework for the Early Years Foundation Stage
- How to request an increase to a school's nursery size

## 2. ENTITLEMENT TO AN EARLY YEARS NURSERY PLACE

- 2.1 Wakefield Council guarantees a universal place for all 3 and 4 year olds within the District. This place will not always be within the maintained sector and it may not always be at the local school or a parent's preferred choice. Where a place is not available at the chosen school, parents should be directed to contact the Council's Early Years Team by telephoning 01977 723482 or 0800 5878042 or email [infomation@wakefield.gov.uk](mailto:infomation@wakefield.gov.uk)
- 2.2 The universal entitlement is for up to 15 hours per week for 38 weeks of the year up to 570 hours over the course of a year. Harewood Nursery school offers 5 morning or 5 afternoon sessions (3 hours each) per week.
- 2.3 Where a parent requests less than 15 hours per week this will be granted. Any unfilled hours can be offered to children on the waiting list.
- 2.4 The extended entitlement allows parents to access up to a further 15 hours entitlement per week, should they meet the eligibility criteria. Harewood Nursery School offers this extended entitlement and provides up to 13 places per session.
- 2.5 A parent who wishes to access their extended entitlement at Harewood Nursery School must have first opted to use their universal offer here.
- 2.6 Parents must be aware that there is no guarantee that a child, who is admitted to a school's nursery class, will be admitted to the school full-time. Parents of children in nursery classes must complete an Admissions Preference Form in order to request a full-time place in school. The full-time admissions policy has to be applied to determine which school has places.  
**Schools must not put pressure on parents for their child to attend nursery, in order to gain a full-time place at the school.**
- 2.7 It is a parent's choice at which setting they take their nursery provision.

## 3. ADMISSION DATES

## Harewood Nursery School

3.1 The earliest a child can be admitted to nursery is the term after their 3<sup>rd</sup> birthday unless the school is designated to admit 2 year olds.

See Appendix A for the actual date of birth ranges into reception and nursery for the next 4 academic years.

**P/T = part-time    F/T = full-time    STAT = statutory school age**

- Children born between 1 September and 31 December receive 5 terms part-time and 1 term full-time prior to reaching statutory school age.
- Children born between 1 January and 31 March receive 4 terms part-time and 2 terms full-time prior to reaching statutory school age.
- Children born between 1 April and 31 August receive 3 terms part-time and 3 terms full-time prior to reaching statutory school age.

### 4. ALLOCATING EARLY YEARS PLACES – UNIVERSAL

- 4.1 Schools who admit children into the early years are responsible for administering the early years admissions policy. Parents must contact schools directly when applying for a part-time nursery place. Each school should then allocate places in accordance with the early years admission criteria.
- 4.2 Each school should have their own application form for early years admissions, which all parents applying for a place at the school must complete and sign.
- 4.3 Schools must identify a date, each term, when part-time admissions for the following term will be allocated. It is recommended that this is around half-term.
- 4.4 Parents should be notified in writing when a universal place will be available. Parents should be requested to confirm that they accept the offer of a part-time place within 2 weeks of the place being offered. If a parent does not respond to the offer letter the school must make reasonable efforts to contact the parent before the place is offered to the first child on the waiting list.
- 4.5 Following notification that a place is available, a child should be expected to take up the place within 2 weeks of the expected start date. If the child has not taken up the place after 2 weeks and a satisfactory explanation has not been provided to the Headteacher then the offer of a part-time place can be removed.
- 4.6 If a nursery class is full, the only circumstance where a late application for a part-time place can be considered and be successful is an application:
- from a child with SEN who is undergoing an Education, Health and Care Plan needs assessment or who has an Education, Health and Care Plan. In such an event the application must be supported by the relevant professionals involved with the child; or
  - from a child who is in care of the local authority (looked after child), or a child who was previously looked after or fostered under an arrangement made by a local authority.

## Harewood Nursery School

You should contact the Early Years Team to discuss the implications of the statutory guidance and for a decision to be made whether to offer the place to another child or to go above the school's designated nursery size.

- 4.7 Where a school has more places than applications then all applications will be accepted including late applications.
- 4.8 In the event where there are more applications than places, if a school receives a late application for a universal place this must only be considered after all other applications have been dealt with. Children of late applicants should be placed on the waiting list in the order in which they appear following the part-time admissions criteria.
- 4.9 The parents of children who have not been allocated a place should be contacted in writing informing them of the decision. It is good practice to state where they are on the waiting list. Parents should also be asked to confirm if they wish to remain on the waiting list and/or if they wish for their application to be considered afresh the following term. When writing to parents you should also include the details of the Early Years Team who can provide free information and advice on alternative nursery places. Telephone 0800 5878042 01977 722345 or email [information@wakefield.gov.uk](mailto:information@wakefield.gov.uk) or visit [www.wakefield.gov.uk/earlyyears](http://www.wakefield.gov.uk/earlyyears)
- 4.10 The school should record they have seen evidence to verify a child's date of birth and identity. Examples are a birth certificate, or passport. Parents should also be asked to provide valid proof that the address given for the child is the address at which they are ordinarily resident. Parents should be asked to sign a Parent Agreement Form stating that all of the information provided is correct.
- 4.11 If a child is refused a part-time nursery place then the parent/carer may appeal to a committee of governors. Governors should adhere to the Early Years Foundation Stage Statutory Framework and they cannot admit children over their designated nursery number. Therefore, the only grounds for upholding an appeal should be where a parent demonstrates that an error has been made by the school, when processing the application that may have resulted in a place being offered to another child.
- 4.12 Where a parent demonstrates that an error has been made by the school when administering early years admissions a school can only admit over its agreed nursery number if it has both written approval from the Council and that the Early Years Foundation Stage Statutory Requirements continue to be met. Particularly those relating to space requirements and staffing ratios. Therefore, if a nursery cannot go over its nursery size then the Governing Body must make the decision to withdraw the offer of a place to another child or to place the complainant at the top of the waiting list.

## 5. ALLOCATING EARLY YEARS PLACES EXTENDED ENTITLEMENT PLACES

## Harewood Nursery School

- 5.1 In allocating extended entitlement places schools should apply points 4.1 to 4.12 above and note the information below.
- 5.2 The Parent Agreement Form will enable parents to insert their extended entitlement eligibility code (11 digit DERN). It is a parent's responsibility to provide this number along with their national insurance number and child's date of birth to enable an eligibility check to be carried out. A school should collect this information as near to start date as possible.
- 5.3 Parents should be notified in writing when an extended place will be available. Parents should be made aware that there will be a start and end date to the extended entitlement and that a place can only be guaranteed until this date.
- 5.4 A child should be expected to take up the extended entitlement at the beginning of term (or after giving notice of at least two weeks if moving from another setting).

## **6. ATTENDANCE – UNIVERSAL AND EXTENDED**

- 6.1 It is a schools responsibility to ensure that children are attending regularly and for the number of hours per week that are being claimed and detailed on the Parent Agreement Form. Occasional holidays and sickness absences are acceptable.
- 6.2 However as part of safeguarding arrangements all schools must contact the parent/carer when a child does not attend. If no information relating to the reason for the absence has been received the school must contact the parent on the first day of the child's absence; reasons for absence must then be recorded on the child's file along with the expected return date.
- 6.3 If the child does not return on the expected date then the school must make a follow-up call to the parent/carer to establish reasons and whether the child is going to continue with their free place.
- 6.4 If any child has what is deemed to be irregular attendance then it is the schools responsibility to remind the parents that the free place is a funded place and continued irregular attendance could lead to a reduction of hours or the place being withdrawn and offered to another child.
- 6.5 Where there is a persistent absence of more than two weeks in any term without a justifiable reason then the school should notify parents/carers that the place will be offered to another child. The school must specify to the

## Harewood Nursery School

parent the date that the place will be removed. The hours of non-attendance can be offered to another child.

### **7. SPECIAL EDUCATIONAL NEEDS AND DISABILITY**

6.1 No child should ever be admitted prior to the term following their 3<sup>rd</sup> birthday unless there are very exceptional circumstances, which must be discussed with the Council's Early Years Team, initially. Each case would be considered on its own merit taking into account the views of the appropriate professionals.

Examples of exceptional circumstances are:

- A child with a complex disability;
- A child involved in an active Child Protection Plan where there is no suitable age appropriate provision within the local area that could be accessed.

### **8. PART-TIME ADMISSIONS CRITERIA – UNIVERSAL**

8.1 If the number of applications received for a universal nursery place does not exceed the number of places available then all children will be admitted on a part-time basis.

8.2 Where a school receives more applications than places available then children should be admitted in the following order:

- 1 Children undergoing an Education, Health and Care Plan needs assessment or with an Education, Health and Care Plan (which names the school);
- 2 Children in public care (looked after children), or a child who was previously looked after or fostered under an arrangement made by the Local Authority (see definition under explanatory notes);
- 3 Children who live in the school's catchment area or parish area, who have brothers or sisters attending the school at the time of admission;
- 4 Other children who live in the school's catchment area;
- 5 Children who live outside the school's catchment area but have brothers or sisters in attendance at the school;
- 6 Other children by age order (admitting eldest first).

8.3 Explanatory Notes

## Harewood Nursery School

- Where any criterion category is over-subscribed then children within that category should be admitted in an age order basis (eldest first). Where 2 children have the same date of birth then priority should be given to Wakefield District children. If both children live in the Wakefield District then priority would be given to the child that lives nearest the school.
- Brothers and sisters are defined as children with brothers or sisters (including step-brothers or sisters) living at the same address, in attendance at the same school or a school on the same site, on the date of admission.
- For admissions purposes only one address can be used as a child's permanent address. Where a child resides with more than one/parent carer, at different addresses, the school will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.
- Children in Public Care – this refers to children who are:
  - Subject to a care order made by the courts under section 31 of the Children Act 1989 – for the courts to grant a care order they have to be satisfied that a child is suffering or would suffer 'significant harm' without one;
  - Children who are accommodated by the local authority on a voluntary basis under section 20 of the Children Act 1989; and
  - Children who have been adopted from Local Authority care, children with a residency order and those with special guardianship immediately following being Looked After will all be included within the higher priority for looked-after children.
- Where the admission of siblings from a multiple birth (eg twins, triplets) would cause the school to rise above its agreed Nursery Number, you must contact the Early Years Team to agree a resolution.
- If a child has a change to their circumstances (change of address) once an application for a part-time place has been submitted it is the responsibility of the parent to inform the school of the change. However, if a parent applying for a part-time place already has a sibling in school and they have a material change then the school should check all addresses when considering part-time places to ensure that they have the correct information for all children to ensure that all part-time places are allocated correctly.
- Children living from families outside the Wakefield District boundary will be considered alongside those who live within the Wakefield District.

## Harewood Nursery School

- All voluntary aided and foundation (trust) schools and academies should admit part-time children following their own full-time admissions criteria as in the published Primary Guide for Parents.
- A school providing wrap-around-care must not include this in the admissions criteria. A parent must not be expected to purchase additional services in order to gain a part-time place at the school.
- Where required the Council will provide support to a school in applying the part-time admissions criteria.

### **9. PART-TIME ADMISSIONS CRITERIA – EXTENDED ENTITLEMENT (SCHOOLS OFFERING A FLEXIBLE MODEL)**

9.1 Where a school receives more applications for an extended entitlement place than those available then children should be admitted in the following order:

1. The child accessing the universal offer in the school.
2. Children undergoing an Education, Health and Care Plan needs assessment or with an Education, Health and Care Plan (which names the school);
3. Children in public care (looked after children), or a child who was previously looked after or fostered under an arrangement made by the Local Authority (see definition under explanatory notes);
4. Children who live in the school's catchment area or parish area, who have brothers or sisters attending the school at the time of admission;
5. Other children who live in the school's catchment area;
6. Children who live outside the school's catchment area but have brothers or sisters in attendance at the school;
7. Other Children by age order (eldest first).

### **10. PART-TIME ADMISSIONS CRITERIA – EXTENDED ENTITLEMENT (CHILD TAKING UP IN TWO SCHOOLS)**

10.1 A child who accesses their universal entitlement in one school may take up their extended entitlement at a different school if they meet the eligibility criteria.

They should only be admitted after all universal places have been allocated and extended entitlement places where a school offers a flexible model.

1. Children undergoing an Education, Health and Care Plan needs assessment or with an Education, Health and Care Plan (which names the school);

## Harewood Nursery School

2. Children in public care (looked after children), or a child who was previously looked after or fostered under an arrangement made by the Local Authority (see definition under explanatory notes);
3. Date of birth order – eldest first.

### 11. DEFERRING A FULL-TIME SCHOOL PLACE

11.1 The statutory School Admissions Code of Practice allows parents to defer their child's offer of a full-time place until they reach statutory school age. For advice on this please refer to the full-time Admissions Policy or contact the School Admissions Team on 01924 305616/17/18/19.

11.2 If a parent wishes to defer their offer of a full-time place at their allocated school and they wish their child to continue attending nursery provision on a universal basis or extended where they are eligible then the below must be followed:

1. Parents must formally put in writing to the local authority's School Admissions Team and the school that they wish to defer the offer of a full-time place.
2. The School Admissions Team will contact the school where a full-time place has been offered.
3. The School Admissions Team will write to the parent to confirm the deferral of a place explaining that they will have to make alternative arrangement with either their existing or an alternative nursery provider.
4. The Early Years Team can provide support and advice in securing a part-time nursery place.

If a parent contacts a school direct then the school should inform the School Admissions Team as outlined above.

11.3 Not all parents are being offered a full-time Reception place at the school of their preferred choice. Where this occurs some parents are requesting to stay within their current nursery in the anticipation that a full-time place will become available at that school. This is highly unlikely to occur unless the child is towards the top of the waiting list and there are no guarantees that a place will then become available.

11.4 When such a request to stay in the nursery is made then it is up to each school and their Governing Body to make the final decision as any parental complaint / appeal would be made through the School's Governing Body.

11.5 Wakefield Council advises that if there are spare places available in the nursery class then the school should allow the child to continue in the nursery

## Harewood Nursery School

until such time that the place is required for another child. If the school nursery is full or the school is stating that they have decided that the child cannot continue in the nursery then the parents should be advised to contact the Early Years Team on 0800 5878042 or 01977 722345 they will provide advice and support in obtaining an alternative nursery or reception place.

- 11.6 The legal position remains that parents who wish to defer taking their full-time place are still entitled to an early year's place of either 15 or 30 hours, where they meet the eligibility criteria, with another early year's provider from September. The Council must ensure provision is available if the child cannot remain in their current placement.
- 11.7 A school would receive part-time funding if a full-time eligible child remained part-time (ie up to 15 hours) in a schools nursery class. If the child was eligible to the extended entitlement then they could access up to 30 hours.

## 12. NURSERY NUMBER

- 12.1 Each school has a designated nursery number, which must be agreed by the Council and must meet standards as stated in the Early Years Foundation Stage (EYFS) Statutory Framework. The nursery number is based on available space and facilities. Requests for a change to a school's designated nursery number will be considered by the Council's Schools Place Planning Group which will take into account issues relating to the Local Authority's duty to manage the sufficiency and sustainability of the childcare market. See 15.1
- 12.2 A school exceeding its nursery number will be funded at £0.02p per hour for those children accessing above.
- 12.3 Most schools' nursery numbers are based on multiples of 1:13 in line with the staffing ratios. Therefore, if a school has a nursery number of 26 fte (full-time equivalent) then a school can admit a maximum of 52 children and this would be 26 in the morning and 26 in the afternoon session.
- 12.4 Once a designated nursery number has been reached, only a child that has an Education, Health and Care Plan that names the school or is under an Education, Health and Care Plan needs assessment can be admitted - thus exceeding the school's nursery size. Where this occurs, the school must contact the Early Years Team immediately to discuss ways to resolve issues relating to Ofsted regulations and compliance with the Early Years Foundation Stage Framework.

## 13. FUNDING FOR PART-TIME ADMISSIONS

## Harewood Nursery School

- 13.1 All nursery providers in the Wakefield District are funded in accordance with the criteria for the Early Years National Funding Formula (EYNFF). The EYNFF is a fair and transparent way in which funding is allocated to providers who deliver the Early Years Free Entitlement.

### **14. STATUTORY FRAMEWORK FOR THE EARLY YEARS FOUNDATION STAGE**

- 14.1 Each school and their Governing Body must adhere to the The Statutory Framework for the Early Years Foundation Stage (EYFS).

### **15. REQUEST TO INCREASE NURSERY SIZE**

- 15.1 If a school is interested in exploring the possibility of increasing their nursery capacity then they must complete and submit a Business Request Form which will be considered by at the Council's School Place Planning Group. In the first instance you can contact Early Years Team for an informal discussion.
- 15.2 If a school nursery becomes full please inform the Early Years Team. This is because the Council has the duty to manage the sufficiency of the childcare market. Where there is a shortage of places in a particular area it is then the responsibility of the Council to try and create extra places on either a short or long-term basis. This supports the Council to manage its sufficiency duty to provide places for all 3 and 4 year olds.

## Harewood Nursery School

### Harewood Nursery School and Pre School

#### **Early Years Admissions Policy – Universal and Extended Entitlement for 3 and 4 year olds**

The Governing Body is responsible for admissions to the school's Early Years Foundation Stage and applies the admissions criteria set out below to admitting children.

Two year old children will be admitted to pre-school on a first come first served basis after the child has their second birthday. Priority will be given to funded children these places will be allocated when the parent brings the letter detailing their funding entitlement. There are 24 morning session places and 24 afternoon session places. Total of **48** pre-school places.

The school has a **65** place nursery. 39 morning places and 26 afternoon places. Therefore a maximum of 65 universal places will be offered.

The school will offer maximum **13** of these places for the extended offer in the first instance. We will monitor the uptake and demand for these places. This number may change at the discretion of the headteacher but only after all children have been allocated a place for the extended entitlement.

#### **PART-TIME ADMISSION DATES**

A child can be admitted to early year's provision the term after their 3rd birthday.

The part-time admission dates are:

#### **Three Year Olds**

<b>Born Between</b>	<b>Month of Part-time Admission</b>	<b>Term of Part-time Admission</b>
1 April - 31 August	September	Autumn
1 Sept - 31 Dec	January	Spring
1 Jan - 31 March	after Easter	Summer

April born children will be admitted part-time in the following September and not after Easter regardless of when Easter falls.

## Harewood Nursery School

### **ALLOCATING PLACES both Universal and Extended**

Parents/carers must contact the school directly when applying for a part-time nursery place. The child's name will be added to the school's nursery waiting list and the parent/carer will be requested to complete an application form, which includes collecting information regarding attendance patterns.

Parents who require less than 5 sessions / 15 hours per week will be considered alongside all other requests. The extended entitlement allows up to 15 additional hours parents are not be required to take all additional 15 hours.

Places will be allocated in accordance with the above admissions criteria.

A parent taking both the universal and extended entitlement at two settings decides who will provide the universal and who will provide the extended.

The school will allocate places on the following dates for the following academic year:

<b>Term child will take up Early Years Provision</b>	<b>Week commencing date places will be allocated</b>
Autumn	1 <sup>st</sup> July
Spring	1 <sup>st</sup> December
Summer	1 <sup>st</sup> April

Any applications received after the specified dates will only be considered once all other applications have been dealt with.

Following notification that a place is available, a child will be expected to take up the place within 2 weeks of the expected start date. If the child has not taken up the place after 2 weeks and a satisfactory explanation has not been provided to the Headteacher, then the offer of a part-time place can be removed.

The school will record evidence to verify a child's date of birth, identity and the parent's eligibility for extended hours as appropriate.

Parents are also asked to provide valid proof that the address given for the child is the address at which they are ordinarily resident. Parents are asked to sign the application form stating that all of the information provided is correct. If a parent/carer refuses to provide this then it could affect a parent's/carer's application for a part-time place. If a parent/carer provides inaccurate information, which results in an application not being successful, then the school reserves the right to remove the nursery place.

For admissions purposes only one address can be used as a child's permanent address. Where a child resides with more than one/parent carer, at different

## Harewood Nursery School

addresses, the school will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.

If a child is refused a part-time early years place then the parent/carer may appeal to a committee of governors. Governors will adhere to the Early Years Foundation Stage Statutory Framework and will not admit children over their designated nursery number or earlier than the specified admission dates. Therefore, the only grounds for upholding an appeal will be where a parent can demonstrate that an error has been made by the school when processing the application.

<b>Policy Date: September 2020</b>	<b>Renewal: Sept 2022 or as required by LA.</b>
